

Product Specification Sheet

Targus Platinum Blacktop 17" Standard Laptop Case Part #: CPT301US

Product Description:

The Targus Platinum 17" Standard Deluxe Laptop Case offers unique style in a highly functional case. The padded laptop compartment keeps your notebook safe during travel, while the durable nylon materials with the signature rubber tread around the outside of the case provides a stylish design element and shock absorption. This case includes a number of storage compartments and a front flap pocket for quick access to items you need most: airline ticket, passport, PDA, pens, keys and business cards. The main compartment has been modified to include a large mesh pocket and 2 padded pockets for accessories as well as scratch-resistant sleeves to hold 5 CD/DVDs. For additional travel convenience, the included luggage strap makes it easy to attach the Blacktop case to rolling luggage.
